ALL-COUNTY LETTER NO. 82-96

TO: ALL COUNTY WELFARE DIRECTORS

SUBJECT: STATE-ONLY AFDC-UNEMPLOYED PROGRAM

REFERENCE:

Effective July 1, 1982, the State Legislature has passed SB 1326, Chapter 327, Statutes of 1982. The bill makes several significant changes that affect the Aid to Families With Dependent Children - Unemployed (AFDC-U) program. Included in these changes is the limitation of eligibility to the State-Only AFDC-U program to three months in any twelve consecutive months.

The Joint Legislative Budget Committee and the Fiscal Committee of each house have required the State Department of Social Services to report the impact of the three months eligibility limitations on the AFDC-U federal program as well as the county General Relief program.

In order to accomplish this reporting mandate, additional information is needed identifying cases and persons that were discontinued or transferred from the AFDC-U program due to the three month limitation and subsequently placed in the federal AFDC or General Relief programs.

Beginning with the September report month, this information will be collected by using footnotes on the Aid to Families With Dependent Children - Cash Grant Caseload Movement and Expenditures Report (CA 237 FG/U) and the General Relief and Interim Assistance to Applicants for SSI/SSP Monthly Caseload and Expenditures Statistical Report (GR 237). The footnotes will be placed on the back of the statistical reports and will read as follows:

CA 237 FG/U

"Number of cases and persons added to a federal AFDC program as a result of the three month limitation period in the State-Only U program."

Cases \_\_\_\_\_ Persons \_\_\_\_\_

GR 237

"Number of cases and persons added to the General Relief program as a result of the three month limitation period in the State-Only U program.

Cases \_\_\_\_\_ Persons \_\_\_\_\_

In addition, it is imperative that the total number of cases and persons that were discontinued due to the three month limitation period be monitored. This information will be reported on the Aid to Families With Dependent Children - Family Groups and Unemployed Report on Reasons for Discontinuance of Cash Grant statistical report (ABCD 253) in Item 9a. Normally, this report reports discontinued cases only; however, due to the unique reporting requirements, it is essential to collect discontinued persons also.

ABCD 253

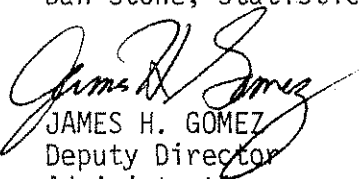

Item 9a will read as follows:

9. To be used only on instructions from the Department of Social Services:

a. Number of cases discontinued due to the three month limitation period \_\_\_\_\_.

Number of persons discontinued due to the three month limitation period \_\_\_\_\_.
